Debating Society Troupes Bowdoin

The 11 after M. Barry Debating Society, under the leadership of president Robert Canavan, and Coach Tom Diletti travelled to New York on the weekends of March 6 and 7 to engage some of the finest college debating teams in the country.

The first tournament, held at Cortland College of New York, found Charles Barter teaming up with Robert Canavan and Tom Diletti against Earl's Adams. In the preliminary rounds Mr. Barter lost his case and was replaced by Paul Willson who did an excellent job.

Although the team failed to win all its cases, the students were extremely high and quite encouraging. The following weekend the Debating Society travelled to Bowdoin College where they met with the Bowdoin team. The Bowdoin team was a strong one and the Suffolk team was defeated in both cases. The Suffolk team was very disappointed but the students were very encouraging.

Variety Show A Smash Hit

by Al Wiswell

On April 17 and 18, Student Government presented its 1964 musical revue titled "Variety for Fun". From the opening number to the final curtain, the enthusiastic audiences agree it was the best yet.

Using a school vacation period as the basic setting, Producer Dr. Lee Daniels had the Suffolk Girls and Guys take a "Whirl Around the World in 80 Minutes". Starting in New York, the group made its way to Florida, Las Vegas, California, Scotland, Paris and Italy, and at each stop there were songs and dances appropriate to the locale.

The show had all the spontaneity and high humor of an amateur production, with just the right amount of professional touches to keep it moving and entertaining.

High Points: There were many high points in the show.

Year-End Report

PROFESSION: BY DRUG MARKING
STUDENT ACP

The time has come for a final accounting of the past academic year. When the present Student Government assumed office, it dedicated itself to the following four-point program:

1. To enhance the prestige of the Student Government by running orderly and well publicized elections, achieving an independent treasury, and offering a more inclusive activities program.

4. The appointment and establishment of a Publicity Department at the University.
